This Agreement is entered between the Mt. Blue Regional School District - RSU 9's Board of Directors and the Mt. Blue Regional School District Education Association.

WHEREAS, the Board and the Association have reached certain understandings which they desire to confirm in this Agreement,

NOW, THEREFORE, the parties mutually agree as follows:

ARTICLE I - RECOGNITION

- A. The Mt. Blue Regional School District Board of Directors - RSU9, (hereinafter referred to as the Board), recognizes the Mt. Blue Regional School District Education Association, (hereinafter referred to as the Association), as the sole and exclusive bargaining agent, as defined in Title 26 M.R.S.A. § 962 of a unit consisting of the entire group of drivers, bus drivers, bus driver/custodians, bus driver/maintenance, maintenance, security, mechanics, lube technicians, lead personnel, custodians, secretaries, education technicians, study hall monitors, bus aides, American sign language interpreters, registrar, and Certified Occupational Therapist Assistant (COTA) who have been employed with RSU 9 for nine (9) months or more.
- B. The term "employee" shall refer to all employees in the bargaining unit except where specific language refers to only one classification of employees.
- C. The term "driver" shall mean any RSU 9 employee, including bus and car drivers, receiving pay for the purpose of operating a district vehicle transporting RSU 9 students.

ARTICLE II - MANAGEMENT RIGHTS

- A. Except as explicitly limited by a specific written provision of this Agreement, the Board shall continue to have all rights, functions, powers, duties, or authority available to it under law. A failure to exercise any function reserved to the Board shall not be deemed a waiver of its right to exercise such function. The exercise of any right or power of the Board or the effect thereof shall not become the basis for a grievance or a prohibited practice complaint in and of itself, nor because it is alleged to have been done inconsistently or in violation of past practice.
- B. The Association acknowledges the right of the Board to make such rules and regulations governing the conduct of its employees in accord with this Agreement.

ARTICLE III - PROBATIONARY PERIOD

- A. All newly hired employees shall serve a probationary period of nine (9) working months. Probationary employees shall have their benefits and wages set by the Board. The Board shall have the discretion to place any new employee on the salary schedule based on the employee's actual work experience and/or training within the specific job classification based on the Current Support Staff Salary and, upon completion of the probationary period, employees who are retained shall be covered by the Agreement.
- B. During the probationary period, probationary employees can apply for any position openings but will not be selected over a qualified non-probationary applicant.

ARTICLE IV - EXAMINATIONS

- A. The Board shall require each driver to have an annual physical and such requirement shall be promptly complied with. Examinations shall be taken during working hours. Examinations shall be fully paid for by the Board. Said examination shall be completed no later than the day before school opens.
- B. The Board reserves the right to select its own occupational health vendor at no cost to the employee. If the vendor offers a choice of medical personnel for the annual physical, the employee shall select the examiner.
- C. The Board shall require each new employee to have a physical examination. The employee required to have a job suitability physical will be expected to demonstrate, and to be certified by the District's examining physician, essential job functions of their job description.

ARTICLE V - EMPLOYEE RIGHTS

- A. Pursuant to Title 26 M.R.S.A. § 961 and the following, the Board hereby agrees that every employee of the Board has the right to freely organize, join or not join, and support or not support the Association and its affiliates for the purpose of engaging in collective negotiations and other concerted activities for mutual aid and protection. As a duly elected body exercising governmental power under color of law of the State of Maine, the Board undertakes and agrees that it shall not directly nor indirectly discourage, deprive, or coerce any employee in the enjoyment of any rights conferred under Title 26 M.R.S.A. § 961. The Board further agrees that it shall not discriminate against any employee with respect to hours, wages, or working conditions by reason of their membership in the Association.
- B. Any formal written complaints regarding an employee by any parents, students, or other persons that warrant further action shall be called to the attention of the employee and

investigated. Should it become necessary to conduct an investigation into alleged misconduct against an employee concerning any matter which could adversely affect the continuation of that employee in their position, salary, or increments pertaining thereto, or any matter which could lead to disciplinary action, the employee shall be advised an investigation is being conducted. The employee shall also be told the nature of the investigation as specifically as possible without jeopardizing the investigation. Before the employee being investigated is questioned as part of that investigation, the employee shall be given prior written notice that an investigatory meeting will be taking place. The employee will be entitled to have a representative present during such an investigatory meeting. Other employees questioned as part of the investigation are not entitled to the same information as the employee being investigated. A request for a reasonable continuance shall be granted if a representative is not available. The investigation will be conducted by the superintendent or their designee, provided, however, the designee may not be a member of the Board.

- C. At the conclusion of the investigation, the employee will be informed of the results of such investigation in writing. If the results of the investigation show the allegations are unfounded, such will be noted in the investigation record. When an investigation has taken place, which concludes no wrongdoing by the employee, a letter indicating the allegations were unfounded will accompany all documents in the employee's personnel file. If the result of the investigation shows the allegations are proven, the employee shall be advised in writing and provided a copy of all pertinent information used.
- D. Before disciplinary action is imposed, the superintendent or designee taking such discipline shall afford the employee the opportunity to rebut the findings against them. Such meeting shall be mutually scheduled and must take place not more than ten (10) working days after receipt of the finding.
- E. Discipline and Discharge: No employee who has satisfied the probationary period shall be issued a written reprimand, suspended, or discharged without just cause. Any written reprimand is subject to the grievance procedure with the understanding that the decision of the Board of Directors is not appealable to arbitration.
- F. When it is necessary to suspend an employee, the employee will be notified and the suspension shall be immediate and without pay. A written explanation will be provided to the employee within three (3) business days.

ARTICLE VI - ASSOCIATION RIGHTS

- A. When any representative of the Association or any employee is mutually scheduled by the parties to participate in negotiations (including grievance proceedings, mediation, fact-finding, or arbitration), conferences, or meeting with the Board and/or its

representatives, they shall suffer no loss of pay or any action which may affect their employment or salary status.

- B. The local Association will be permitted to transact its business on school property, provided that this does not interfere with or interrupt normal school operations and that permission is granted by the principal or appropriate supervisor. The local Association has the right to utilize personnel from the state and national levels in the process of transacting such business.

The Association may have the right to the use of the bulletin board in the Central Office for Association notes with the approval of the superintendent.
- F. The Association may have the right to use the inter-school mail facilities, school email system, and school mailboxes, as long as it does not interfere with normal operation.
- G. The association may request to place items on the agenda of a Board meeting.

A written notification for leave shall be submitted to the superintendent by the President of the Association three (3) working days prior to the meeting. The Board shall attempt to hire a substitute for the requested days.

The pay choice made will remain in effect until the start of the next school year and will not change from year to year unless the employee notifies the superintendent in writing on or before August 1st.

In the event that the pay averaging option chosen results in the employee having insufficient gross pay to meet the employee's health and/or dental deductions in any given pay period, the employee agrees to pay the RSU the insufficient amount by the end of the month in which the event occurs. The RSU agrees to notify the employee in writing of any such insufficient funds and the due date of said funds.

It is the responsibility of the employee to inform the superintendent in writing of changes in job status and to furnish the superintendent with either the employee's current mailing address or their email address.
3. When a vacancy occurs within a specific classification, those employees who have lost their position within the specific classification or have served in another classification satisfactorily as evidenced by the listing on another classification list shall be recalled in reverse order of layoff after the position is posted internally and current employees have the opportunity to apply for a transfer.
4. If the laid-off employee accepts a vacant position of fewer hours and/or benefits, the recalled employee reserves their recall status. In the event a higher-paid position is recreated by the Board, the affected employee, if still employed by the Board or still on the recall list, shall have the first refusal of the position.

ARTICLE XIV - GRIEVANCE PROCEDURE

A. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to problems, which from time to time may arise affecting the meaning or application of this Agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any member of the administration, and having the grievance adjusted without the intervention of the Association.

B. Definitions

1. A "grievance" is an alleged violation of this Agreement or any dispute with respect to the meaning or application of the specific terms of this Agreement.
2. A "grievant" is the employee covered by this Agreement who files a grievance or the Association.
3. A "party interest" is the employee or employees making the claim, any person who might be required to take action, or any person whom action might be taken against in order to resolve the claim.
4. "Days" shall mean weekdays, Monday through Friday, excluding legal holidays.

C. Time Limits

1. The number of days indicated at each level should be considered as maximum and every reasonable effort, consistent with the best interest of both parties and the school system, should be made to expedite the process. The time limits may be

extended by mutual agreement in writing.

2. A grievance will be deemed waived unless submitted in writing within forty (40) days after the grievant first knew, or should have known, of the events or conditions constituting the alleged grievance.
3. Time is of the essence in the filing and processing of all grievances under this Article. Failure on the part of a grievant to make timely filing or to strictly adhere to all further time requirements in the process of a grievance shall constitute a waiver of any grievance and shall be a complete bar to arbitration. No arbitrator shall have the authority to waive, amend, modify, interpret or adjust the time requirements set forth herein. Failure on the part of the Board or its agent to respond to a grievance in the time specified shall automatically give the grievant access to the next step of the procedure.

D. Informal Procedure

1. If an employee feels that they may have a grievance, they shall first discuss the matter with their principal or other appropriate supervisor in an effort to resolve the problem informally.
2. If an employee is not satisfied with such disposition of the matter, they shall have the right to discuss the matter with the superintendent in an effort to resolve the problem informally.

E. Formal Procedure

1. Level One - Principal/Appropriate Supervisor
 - a. If the grievant is not satisfied with the outcome of the informal procedure, they may present their claim as a formal grievance in writing, on a form supplied by the superintendent, to the principal or other appropriate supervisor.

 - a. If the grievant is not satisfied with the resolution of the grievance at Level One, they may, within ten (10) days after receipt of the Level One response, file their grievance with the superintendent or designee.
 - b. The superintendent or their designee shall, within ten (10) days after receipt of the grievance, meet with the grievant for the purpose of resolving the grievance.
 - c. The superintendent or their designee shall, within five (5) days after the

meetings, render their decision and the reason(s) therefore in writing to the grievant, with a copy to the President and Grievance Officer of the Association.

3. Level Three - Board of Directors

- a. If the grievant is not satisfied with the resolution of the grievance at Level Two, they may, within five (5) days after receipt of the level Two response, appeal the decision of the superintendent or their designee to the Board.
- b. The Board, at the next possible board meeting (meaning with adequate time to add this to the agenda) or at a special meeting will, within twenty-three (23) calendar days after receipt of the appeal, meet with the grievant for the purpose of reviewing the grievance.
- c. The Board shall, within five (5) days after such meeting, render its decision and the reasons(s) therefore in writing to the grievant, with a copy to the President and Grievance Officer of the Association.

4. Level Four - Arbitration

- a. If the grievant is not satisfied with the disposition of the grievance at Level Three, they may, within five (5) days after receipt of the Level Three response, request in writing to the President of the Association that the grievance be submitted to Arbitration.
- b. If the Association determines that the grievance is meritorious and elects to submit the issue to arbitration, the Association shall within fifteen (15) days after receipt of Level Three decision, notify the Board of its intent to request arbitration.
- c. The Board, through its representative, and the Association, through its representative, shall within ten (10) days after the notification in b. above, jointly select a single arbitrator who is an experienced and impartial person of recognized competence. If the parties are unable to agree upon an arbitrator within ten (10) days, the Association may ten (10) days after notification to the Board, request the services of the American Arbitration Association for resolution using its rules and procedures.
- d. The arbitrator selected shall confer promptly with the representatives of the Board and the grievant, and shall review the record of the prior meetings and shall hold such hearings with the grievant and the Board as they shall deem requisite.
- e. The arbitrator shall, within thirty (30) days after the hearing, render their decision in writing to all parties in interest, setting forth their findings of fact, reasoning, and conclusions on the issue(s) submitted. The arbitrator shall have no power to add to, subtract from, or modify the provisions of this Agreement, and shall confine any decision to the meaning of the specific written contract provision(s) which gave rise to the dispute. The arbitrator shall be without power to make any decision which is contrary

to law, interferes with the statutory duties of the Board, or violates the terms of this Agreement. The arbitrator's decision shall be final and binding on the parties, subject to judicial review.

- f. The costs for the services of the arbitrator shall be borne equally by the Board and the Association.

F. Rights of Employees to Representation

1. Any party in interest not part of this bargaining unit may be represented at Level Three of the formal Grievance procedure by a person of their own choosing.
2. The grievant or parties in interest who are part of this bargaining unit may only be represented by a person approved by the Association.
3. No reprisals of any kind shall be taken by either party or by any member of the Administration against any participant in the grievance by reason of such participation.

G. Miscellaneous

1. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the grievant. The Association shall hold the Board and its designee completely harmless against any claims or suits of any nature which may arise by reason of the Board's compliance with the specific section.
2. Any meetings or hearings under this procedure shall be conducted in private and shall include only such parties in interest and the designated or selected representatives, heretofore referred to in this procedure.
3. If a grievance affects a group of employees, the Association may submit the grievance in writing beginning with Level Two of the formal procedure and the Association may continue to process the grievance through the remaining levels of the procedure. A grievance affecting an individual may start at Level Two if it is established through the informal process that the principal/appropriate supervisor is not authorized to settle the grievance.
4. Forms for filing and processing the grievances shall be prepared and distributed by the superintendent with copies provided to the Association.
