

Mt. Blue Regional School District

Mt. Blue Administrators Collective Bargaining Agreement 2021-2025

Effective Date: July 1, 2021
Amended and Approved: June 23, 2022

PREAMBLE

The RSU 9 Board of Directors (hereafter the “Board”) and the Mt. Blue Administrators Association (hereafter the “Association”) recognize that the administrators of the RSU 9 share a major responsibility with the Board in meeting the first priority - to provide an educational program of high quality for the children who attend the public schools of this district. They agree that:

1. The Board is vested with certain legal authority and responsibility which it cannot, and will not, abrogate;
2. The Board, under the law, has the final responsibility of establishing educational policies for the Public Schools;
3. The administrators under the direction of the Superintendent and as a part of the administrative team share the responsibility of carrying out established policies of the Board;
4. The administrators are primary agents in the evaluation of staff and the improvement of instruction or performance;
5. Administrators have major responsibilities to interpret policies and programs to the public and to develop avenues of cooperation and service between the schools and all community members;
6. The Board and the administrators have mutual obligations to confer and negotiate in good faith with respect to wages, hours and working conditions and to meet and consult but not negotiate with respect to educational policies.

The Board and the Association agree that their considerations together should aim to serve the best interests of public education in RSU 9.

FRINGE BENEFITS

A. Sick Leave

An administrator will be entitled to twenty (20) days sick leave per year. Unused sick leave days shall be cumulative from year to year to 220 days. Administrators/Directors who have accumulated a greater amount than 220 will be capped at his/her June 30, 2019 balance as listed in Appendix B.

The following restrictions apply to the use of sick leave:

1. Sick leave is provided for use when an administrator is unable to complete his/her job duties due to personal illness or injury.
2. Sick leave may be used in half- or full-day increments.
3. The Superintendent may require medical documentation certifying the need for sick leave whenever an administrator's use of sick leave exceeds five (5) consecutive work days.

B. Family Sick Leave

An administrator may use available sick leave each year to care for a member of his/her immediate family when the administrator's presence is required. The Superintendent may require medical documentation confirming the need for such leave. For the purposes of this section, "...immediate family" shall mean the administrator's spouse/domestic partner, child(ren), or parent(s).

C. Sick Leave Bank

Purpose/Standard for Access: The sick leave bank is designed to provide income protection for eligible administrators who have exhausted their personal leave and annual/accumulated sick leave, and who have a serious health condition as defined by the Family Medical Leave Act, which prohibits them from performing their job.

1. Enrollment/Contributions to the Bank/Maximum Size of Bank
 - a. All administrators that choose to participate shall be required to donate one (1) sick day in September of each year. Any newly hired administrator will be able to join on the date of hire and will then become a member of the sick leave bank.
 - b. Unused sick leave bank days shall continue from year to year to a maximum of 180 days.

2. Sick Bank Committee/Decisions of the Committee: The sick leave bank shall be governed by a four (4) person committee composed of an Association executive, the Superintendent, a designee of the Superintendent, and an administrator. Decisions by this four (4) person committee will be based on documented need and days will only be awarded to an applicant if the committee unanimously determines that the request is meritorious and that the above standard for accessing the sick bank has been met. The decision of the committee shall be final.
3. Number of Days: The following limitations shall apply concerning the ability of administrators to draw days from the sick bank.
 - a. Eligible administrators may be awarded up to 30 sick bank days per contract year for personal illness meeting the above standard. If an administrator has been awarded 30 days and desires to draw additional sick bank days, then he or she must submit a second application form with updated medical information substantiating the medical need for additional sick bank days. The committee will consider such requests in accordance with paragraph 2 and may award up to 30 additional sick bank days to qualified administrators. Again, the decision of the committee shall be final and shall not be grievable.
 - b. In no event shall an individual administrator be permitted to draw more than 60 days from the sick bank in any given contract year.
4. Restrictions on Usage of Sick Bank Days: The following restrictions apply to administrators' usage of sick bank days pursuant to this Article.
 - a. Administrators wishing to access the sick bank must submit an application form, including a doctor's statement substantiating that they have a serious health condition as defined by the Family Medical Leave Act in order to establish that they are eligible to draw days from the sick bank.
 - b. Administrators may not draw from the sick bank until they have exhausted all of their accumulated paid leave (sick, personal, vacation etc.)
 - c. Administrators may not draw sick bank days for elective surgeries or hospitalizations if such procedures could have been scheduled during a vacation period.
 - d. Administrators may not draw sick bank days for injuries that are work-related and for which they are receiving worker's compensation benefits.
 - e. In the event that an administrator's request for sick bank days is granted, either in whole or in part, and he or she is subsequently deemed eligible for a Maine Public Employee Retirement System's or Social Security's disability retirement, and in fact receives a disability retirement, such administrator shall be obligated to pay

back to the school system the value of the number of sick bank days used after the effective date of the disability retirement. The intent of this provision is to prevent employees from double dipping.

5. Miscellaneous:

- a. Sick bank usage. Data concerning the sick leave bank will be maintained by the district administration and an annual report about sick leave usage will be made available to the Association President and to the School Board upon request.
- b. Confidentiality. All application forms will be maintained by the Superintendent's office in a secure manner and in a separate medical file.
- c. Sick day value. A sick bank day awarded pursuant to this Article will be paid out at the applicant administrator's normal per diem rate of pay.
- d. Forms. The required sick leave bank forms are available in the Central Office.

D. Retirement Stipend

Upon retirement, and as a reward for extended service to the school system, qualified administrators shall receive payment for up to one-half of accumulated sick leave not to exceed a maximum of 50 days of accumulated and unused sick leave. Administrators/Directors who have accumulated a greater amount than 220 days will be capped at one-half of accumulated sick leave not to exceed a maximum of 65 days.

The following restrictions shall apply:

1. To receive this benefit, the administrator must have served as an administrator in RSU 9 for at least seven (7) years and must provide notice in writing to the Superintendent of his/her intention to retire by February 1st.
2. The number of days shall be determined by the actual number of sick days accumulated or 50 days, whichever is less.
3. The payment shall be at the administrator's per diem rate of pay.
4. Payment of this stipend shall be made in the next pay period immediately following the employee's effective date of retirement.
5. It is understood that a "retirement" under this section shall mean the administrator's voluntary termination of his/her own employment upon reaching his/her "normal retirement age" under the Maine Public Employees Retirement System or Social Security

Retirement System. It does not include situations where an administrator may decide to leave RSU 9 to work elsewhere.

E. Health Insurance

Each administrator is eligible for his/her choice of single, two-person, or family plan health insurance (Blue Cross/Blue Shield level UCR or better; HMO) and major medical insurance. The District will pay 79.5% of the annual premium costs.

Any administrator, who chooses to decline the MEA Benefit Trust Plan health insurance coverage agrees to a.) sign a statement that they and their eligible dependents have been offered affordable coverage by Mt. Blue Regional School District; and b.) they waive the offer for health insurance; and c.) provide proof that they and their eligible dependents are covered under another employer-sponsored health plan. Any administrator who meets the requirements in a-c shall receive \$6,500 in lieu of insurance coverage. An administrator must elect this option no later than July 1, and said election may not be revoked until the following year, except as follows. If an administrator wishes to reinstate district health coverage due to a qualifying event during the contract year, they must notify the district immediately. Upon notification of the qualifying event, the district will cease the in lieu payment and district health coverage shall be reinstated. Eligibility requirements for health benefits are subject to Anthem Blue Cross and Blue Shield policy.

The in lieu payment will be distributed in two (2) installments: 50% in the second payroll in December and 50% in the second payroll in June.

The District will pay 100% highest level single subscriber dental insurance as provided by Delta Dental Insurance, Plan 5 Coverage A. The administrator will have the option to add additional family members at his/her expense through payroll deduction.

F. Reimbursements

Tuition: The Board of Directors shall reimburse Administrators for books, tuition, and fees for up to nine (9) graduate credits at the University of Maine graduate rate that have been approved in advance by the Superintendent. Reimbursement will be paid upon receipt of transcripts indicating the administrator has satisfactorily completed the course.

Mileage: Administrators who are required to use their own vehicles in the performance of their duties shall be reimbursed for all travel at an average of the mileage reimbursement rates of the IRS and the State of Maine mileage reimbursement as of July 1 of each year. Vouchers for such

expenses shall be submitted by the administrator on a monthly basis.

Smartphone: The Board of Directors shall reimburse administrators \$50 a month toward their smartphone bill. Payment will be distributed in two (2) installments. 50% in the second payroll in December and the 50% in the second payroll in June.

G. Leaves

Administrators are expected to be present in the schools because their leadership is essential; however, it is understood that there are times when Administrators may need to request a leave. Administrators can request time off, subject to the approval of the Superintendent. Each administrator may be granted leave with pay upon the approval of the Superintendent; including up to three (3) personal business leave for legal, professional, household or family business so long as no more than two administrators are out on the same day; up to five (5) bereavement days following the death of immediate family (parent, step-parent, parents-in-law, child, sibling, spouse, significant other, grandparent), and short-term leave.

In addition, so as to avoid burdening school operations and to ensure leadership coverage in each building, planned personal leave requires five (5) business days of prior written notice and may not be used: (a) on staff workshop days; (b) Administrator leadership and planning days; (c) Open House; and/or (d) Parent/Teacher Conferences.

The Board, upon recommendation by the Superintendent, may grant Administrators long-term leaves of absence without pay.

H. Sabbatical Leave

After completing a minimum of seven (7) years continuous service in RSU 9, an administrator will become eligible for up to a full year's sabbatical leave at one-half of that administrator's contracted salary and benefits. A written proposal will be submitted to and discussed with the Superintendent prior to becoming an agenda item of the Board. Applications for administrative sabbatical leave must be submitted by the Superintendent by October 15 of the preceding year and will be acted upon by the Board prior to November 30. The decision of the Board shall be final. An administrator receiving and accepting a sabbatical leave will formally agree in writing that if he or she does not complete one full year of service in the District of his/her own volition following the completion of the sabbatical, that the administrator will repay the total value of salary and benefits received from RSU 9 during the sabbatical. A maximum of one administrative sabbatical can be granted by the Board in any year, and the decision of the Board is final.

Appendix B

Administrators/Directors who have accumulated a greater amount than 220 will be capped at his/her June 30, 2019 balance as follows:

Todd Demons	228.5 days
Nichole Goodspeed	238 days
Joel Smith	260 Days

Side Agreement

This Side Agreement is made this 11th day of May, 2021, by and between the RSU 9 Board of Directors (the “Board”) and the Mt. Blue Administrators Association (the “Association”) (collectively the “Parties”).

WHEREAS, effective January 1, 2021, Maine has enacted a new Earned Paid Leave law (26 M.R.S.A. §637) which permits employees to accrue one hour of earned paid leave for every forty (40) hours worked, beginning with the first day of employment, up to a maximum of forty (40) hours per year;

WHEREAS the new law does not entitle employees who already receive paid leave benefits from their employer to any additional paid leave, so long as existing leave policies permit employees to use up to (40) hours of paid leave per year, in no less than one hour increments, for any reason, subject to reasonable notice limitations depending on the use of the leave; and

NOW, THEREFORE, in order to meet the statutory requirements under 26 M.R.S.A. §637, the Parties hereby agree as follows:

1. Employees may use the first forty (40) hours of any leave (sick, family sick, personal, vacation, etc.) in each year in increments of (1) hour;
2. To ensure that the three (3) days of personal leave in Section G of the contract can be applied toward the 40 total hours of earned paid leave, the Board will waive the existing contractual restrictions on the qualifying purposes or reasons for personal leave. Thus, while this side agreement is in effect, personal leave can be used for any reason. However, so as to avoid burdening school operations and to ensure leadership coverage in each building, planned personal leave (i.e., non-emergency leave) requires 5 business days of prior written notice and may not be used: (a) on staff workshop days; (b) administrator leadership and planning days; (c) Open House; and/or (d) Parent Teacher Conferences.
3. To ensure compliance with 26 M.R.S.A. §637, up to 2 days of vacation leave in Section L of the contract can be applied toward the 40 total hours of earned paid leave. Thus, while this side agreement is in effect, up to 2 days of vacation leave may be used for any reason. However, so as to avoid burdening school operations and to ensure leadership coverage in each building, planned vacation leave (i.e., non-emergency leave) requires 5 business days of prior written notice and may not be used: (a) on staff workshop days; (b)

administrator leadership and planning days; (c) Open House; and/or (d) Parent/Teacher Conferences.

4. In general, planned earned paid leave should not be used for more than three (3) consecutive days in a row.
5. Employees who request paid leave for emergency purposes shall be required to provide a general description of the purpose of the leave and may be required to provide appropriate documentation demonstrating the necessity of using leave when absent for more than three (3) consecutive days or when using leave for non-emergency purposes;
6. The Parties recognize that, pursuant to 26 M.R.S.A. §637(7), the Maine Department of Labor has the exclusive authority to enforce the requirements of the new law, which are otherwise not subject to the grievance procedure;
7. In the event that the Legislature and/or the Maine Department of Labor determines that 26 M.R.S.A. §637 should not/does not apply to public school units, this Side Agreement shall expire on its own accord at that time.
