RSU 9 administration was notified of a potential bomb threat late this morning at MBC, 1/30/23. Upon consultation with the Farmington Police Department students at MBC are being evacuated from the building and grades 9-12 students will be sent home through buses or their own cars by 12 pm today. All students and staff are safe. Students who normally ride a school bus are expected to follow their normal bus routine, and students who drove to school will drive home. All afterschool activities are canceled for today. Staff will not re-enter the building and so there will be no one available at MBC to answer phones.

We will keep you posted as more information is available.
