Dear RSU 9 Community,

As stated in our recent notification, **Mt. Blue Campus** will be in a full remote model next week from 4/5/21-4/9/21. We will return to our hybrid in-person learning model on 4/12/21. We made this determination based on staffing impacted by the recent COVID-19 positive cases. Please know that our schools are safe, and they continue to be cleaned per CDC guidelines. **All other schools in the district will not be impacted and will continue with their regular schedules.**

Please see the details below regarding the impact at **Mt. Blue Campus**. Learning plan questions should be directed to teachers. Please contact the school for any other questions.

MBC Remote Learning Plan:

Please plan to proceed with the school's remote schedule (similar to a Friday schedule). Teachers will be communicating with students via email, Google Classroom and Zoom.

MBC Meal Services:

Meals are available for all students and can be picked up at the high school (Door #14) between 7am and noon. To order meals, please call Chef Andy at 207-779-9720 or email foodservice@mtbluersd.org. If you are unable to pick up meals, delivery service may be available. Please call 779-9720 to arrange home delivery.

MBC On-site co-curricular and extracurricular activities:

All MBC in-person co-curricular and extracurricular activities are canceled and will resume on 4/12/21.

We appreciate your understanding of these circumstances and your support of your child's education in these challenging times. We will look forward to seeing students back at MBC on 4/12/21. Thank you again for your adherence to the RSU 9 guidelines that help to keep our schools and communities safe and healthy.

Sincerely,

Monique Poulin
Interim Superintendent
RSU 9
