Health Notice #29

April 2, 2021

Mt. Blue Regional School District was notified today that **three (3)** people associated with our district have tested positive for COVID-19. Contact tracing is complete and **86** close contacts were identified and contacted. The number of cases and the impacted schools / locations are included below.

Number of new positives	School / Location
1	Cascade Brook School
2	Mt. Blue Campus

As a result, **Mt. Blue Campus will be in a full remote model next week**, April 5th through April 9th. All students will return to our hybrid model on Monday, April 12th. There will be no athletics, clubs, nor extra-curricular activities until we return to campus on 4/12. We will send a follow up communication regarding MBC with further details over the weekend. After careful review, it has been determined that Cascade Brook School will maintain a hybrid model next week. There will be no changes to scheduling at CBS.

As a reminder...

- All students and staff must complete their health screener before coming to school. If a student or staff member fails a screener, please stay home and contact your healthcare provider.
