

Player Assessments for Fall 2024 Travel Teams

Western Maine United Soccer Club provides opportunities for girls and boys living in the Franklin County area to play on traveling soccer teams. WMU is affiliated with USYS and league play is governed by Soccer Maine. WMU is dedicated to promoting player development and team development in a safe and enjoyable environment.

Friday, June 14 Prescott Field University of Maine Farmington

U8/ U9/U10/U11: 6:00 PM - 7:00 PM

U12/U13/U14: 7:30 PM - 8:30 PM

WMU will be hosting open tryouts for teams playing this fall. Players will participate in a variety of soccer drills and activities while being evaluated on their technical and tactical ability. Players must be at least 7 years old and no older than 13 on August 1, 2024.

Participating players should arrive 20 minutes early to register for their session and get warmed up. If you have them, bring cleats, shinguards and an age appropriate soccer ball (U8-12 size 4, U12-13 size 5) and PLENTY OF WATER!

There is no fee to participate in assessments. Registration fees for rostered players are \$90-\$125 due before League play starts - typically the last weekend in August. Players will need to purchase uniforms (approximately \$75.00). It is Western Maine United policy that no child should be excluded from participation due to inability to pay. Financial assistance with fees and uniform costs is available to those with a demonstrated need.

WMU is also looking for volunteer coaches. If you might be interested in coaching a team, please contact us! The club will pay for your coaching certification classes.
