Home Visiting Program

Our home-visiting program offers early education services in your home to families throughout Oxford and Franklin Counties. This program is available to expecting parents, or those who have children birth to age 3. This program is free to eligible families and includes many benefits to support the whole family.

- Weekly visits with your dedicated home visitor
- Playgroups with other families
- Customized family support and guidance
- Fun activities promoting your child's growth in preparation for preschool
- Strategies to support your child's development, good eating habits, and positive routines
- Info on how your baby is growing and what to expect when they arrive

Early Learning Centers

Our childcare options offer families full-day, full-year, or part-day, part-year options at various centers.

Early childhood care and education are provided for children from 6 weeks to 5 years old. Part-day preschool is free to eligible families, and full-day care is available at cost to families.

**VIDEO OF
OUR
CLASSES!**

- Safe, child-friendly environments
- Screenings: health, nutrition & development
- Play-based learning
- School readiness activities
- Inclusive environment
- Educated, well-trained staff
- Healthy snacks & meals; physical activity

This program is not an RSU 9 sponsored activity, however, this info is being distributed in the local schools as a community service. All printing costs are paid for by Community Concepts.

An equal opportunity provider and employer.

Collaboration Sites

This preschool experience is a partnership between CCI, Head Start, and local public schools. The classrooms are housed in the school buildings for children ages 4-5. They operate Monday through Friday, following the school district calendar. Transportation is provided through the school district.

Your child will participate in activities that support them to prepare for school with a focus on:

- *Social and emotional development*
- *Physical health and development*
- *Cognition and general learning*
- *Language and literacy*
- *Approaches to learning*
