

# **Bradley Paul Jackson Memorial Scholarship Application**

Amount: \$250 at Awards Night

Description:

This scholarship is established in memory and honor of Bradley Paul Jackson, a 2013 graduate of Mt. Blue High School and a proud member of the 2012 Class B State Championship football team. During his time in the Mt. Blue community, Bradley was deeply appreciative of the encouragement and support he received from those around him. The camaraderie of the Wilton, Farmington, Mt. Blue, and greater Franklin County communities helped provide the foundation for his success in post-secondary education.

After graduating, Bradley completed Penn State’s Turfgrass Management Program and went on to work at several premier golf clubs throughout Maine and New York. His dedication to his craft and his community left a lasting impression on those who knew him.

The Bradley Paul Jackson Memorial Scholarship honors both Bradley and his Uncle Paul Sabin, recognizing their shared commitment to hard work, community, and fostering opportunity for the next generation. We are proud to provide this scholarship through the Paul Harvey Sabin Foundation, made possible by the contributions of many loved ones of both of these wonderful men.
