

## **The Koa Dumont Memorial Scholarship**

**Koa Dumont, passed away at the age of 15 in a cliff jumping accident. His love for life was contagious and inspiring.** He was passionate, driven, and full of energy, finding joy in sports, the outdoors, fitness, hard work, and time with friends and family. His interests were as wide-ranging as his spirit—soccer, alpine skiing, tennis, lacrosse, running, mountain biking, swimming, **surfing**, hiking, camping, dirt biking, fishing, and playing music on the guitar, trumpet, and saxophone.

Beyond his many talents, Koa will be remembered most for his kindness. He genuinely cared about others and was always willing to lend a hand, check in, or make someone feel valued.

The Dumont/Yamashiro family is honored to offer this scholarship to a graduating senior who embodies Koa's passion, determination, and compassion for others.

Foster Tech: Preference will be given to a student in the Outdoor Leadership program.

Mt. Blue High School: Preference will be given to a senior athlete.
